Dear Harald

I am writing regarding the ITF recognition of Coaches Education systems. As you know the ITF, in conjunction with its Coaches Commission, established criteria and minimum standards for Coaches Education systems, which were adopted by the ITF Board of Directors. These criteria, along with the coaching competencies agreed for the different levels of Coaches Education, were put together in an effort to ensure quality standards in Coaches Education systems worldwide and to allow the Coaches Education systems of ITF member nations to be assessed by the ITF.

I am pleased to inform you that based on the criteria, after undertaking an extensive review process of the documents provided by ÖTV on your Coaches Education system, the ITF recognises that all of the criteria established by the ITF Coaches Commission have been met and that ÖTV have established a Coaches Education system that meets the quality standards set by the ITF.

As a result, the ITF agrees to formally continue to recognise the Coaches Education system of ÖTV for a four-year period from **1 January 2016 until 31 December 2019**.

ÖTV now has the right to use the ITF coaching logo on their coach education material/resources including your coach license cards. I will ensure that a copy of this logo is sent to ÖTV as soon as possible. In addition, we will send you a certificate of recognition.

I want to take this opportunity to congratulate ÖTV on becoming one of the first nations to have their Coaches Education system approved by the ITF.

Yours sincerely
